PRECINCT WARRANT

State of New Hampshire

To the Inhabitants of the Hillsborough Bridge Village Fire Precinct in the Town of Hillsborough, qualified to vote in Precinct Affairs:

You are hereby notified to meet in the Precinct Hall in said Precinct on Monday, the fifteenth day of March, 1943, at seven o'clock in the afternoon, to act upon the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose one water commissioner to serve five years and one fire commissioner to serve three years.
3. To choose a clerk, treasurer, auditors, and other necessary Precinct officers for the ensuing year.
4. To hear the reports of the fire commissioners, water commissioners, clerk, treasurer, auditors, and other officers, and committees heretofore chosen, and to pass any other vote relating thereto.
5. To raise such sums of money as may be necessary for paying the current expenses of the Precinct, the debt of the Precinct, and any other charges arising within said Precinct.
6. To transact any other business that may legally come before the meeting.

Given under our hands this twenty-fifth day of February in the year of our Lord nineteen hundred and forty-three.

FRANK G. RUMRILL,

FOREST FIRE WARDEN'S REPORT

As the tempo of America's war effort mounts, demands upon its citizens for service become more numerous and exacting. To some comes the call to arms; others to public service and still others to defense industries and organizations. No one can possibly escape if he would. All must bear a proportionate share of the burden and the sacrifice. Strong first line fronts on land, sea and in the air are needed and can be developed and maintained only if there is unity of purpose and common determination behind the home front.

As men are drawn into service the burden of carrying on rests more heavily upon those forced to remain at home. Here, team work becomes increasingly important because of constantly diminishing manpower. A general breakdown in essential local activities and law observance can only be prevented by whole hearted cooperation between citizens and leaders.

There is no field of endeavor where cooperation and compliance with law and regulation are more needed than that of forest fire control. The most effective and economical effort in this field of activity is that of prevention. The old adage "an ounce of prevention" being "worth a pound of cure" was never more aptly applied than to forest fire control.

The forest fire warden is, by law, the designated local leader in forest fire matters. He exercises his prerogatives and discharges his duties as such under the direction of the State Forester. There was never a time when the warden needed each citizen's good will and cooperation more than he does now. With manpower waning, fire prevention, through efficient preparation, care with fire and compliance with necessary regulations become a vital duty of citizenship.

For years efforts have been made to improve the usual bad Spring and Fall fire record. It was not until this year, however, that this problem was, to a great extent solved when permit burning was more rigidly restricted. Forest fire wardens were instructed not to issue permits except on rainy days. This plan worked out so well it has been decided to make it the established policy governing legal burning.

Everyone is well acquainted with the several civilian defense groups. Many of our fellow townsmen are serving

in one or other of them. It is only recently, however, that the Office of Civilian Defense, recognizing the threat forest fires are to our timber facilities and resources and the possible disruption of war activities in critical areas, established the "Forest Fire Fighters Service". Its purpose is to provide fire fighters, equipped and trained, to strengthen the hand of the local forest fire warden; to acquaint the people in the area with their responsibility in fire prevention and suppression and to provide an opportunity for people in and near forested areas to participate in the war effort. The State Forester is the State Coordinator; the District Fire Chiefs are District Coordinators and the Warden is the Local Coordinator. The Forest Fire Fighters Service personnel will be registered under the direction of the Office of Civilian Defense; it will be trained by the local warden and his assistants, aided by the District Chief. Individual citizens are urged to join this service group by applying to their local forest fire warden. By becoming a part of this organization locally, individuals can contribute their share toward the protection of our forest resources which are so vital to the war job.

During this critical period it is more than ever the part of good and prudent citizenship to remember:

1. That permission to burn in or near woodland or where fire may be communicated to woodland must be secured from the forest fire warden when the ground is not covered with snow.
2. To be careful when smoking in or near the woods and not to throw lighted cigars, cigarettes or matches from moving vehicles.
3. To notify your local warden promptly of any fires you see.
4. That fire prevention is the best and cheapest fire insurance.
5. To be fire-minded; be careful; be cooperative and thus help your warden prevent forest fires. This is patriotism at work.

The 1942 fire record for our town follows:

Number of fires, none.

Acreage burned, none.

Cost of suppression, none.

Number of permits issued. 60.

CHARLES HUNT,
Forest Fire Warden.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and the Citizens of the Hillsboro Town School District:

I hereby submit my first annual report as superintendent of schools in your district.

School Organization

School Board: Andrew Sargent, chairman; Anton Johnson; John Moulton.

Supt. of Schools: Howard F. Mason, Hillsboro, N. H.

School Nurse: Mrs. George S. Bailey, R. N., Hillsboro, N. H.

Attendance Officer: Henry Adams.

Teaching Staff

| School | Teacher | Salary | N.H. Appr'vl |
|---------------|-----------------|----------|--------------|
| Center | Patricia Higgin | \$925.00 | License |
| Flat | Susan Pierce | 1,000.00 | Certificate |
| Lower Village | Georgianna Gile | 1,000.00 | Certificate |
| Upper Village | Grace Crane | 1,000.00 | Certificate |

The music supervisor, Katherine Shea, teaches music two days a week for a salary of \$750. She replaced Elizabeth Baldwin on Jan. 4, 1943.

Pupil Information

The following pupils had perfect attendance for the school year 1941-42:

Center School: Edith Murdough and Ruth Murdough.

Flat School: Sylvia Lougee.

Lower Village: Lila Murphy.

Upper Village: None.

Merrill School: None.

The following pupils were graduated from the eighth grade in June, 1942: Evelyn Bennett, Chellis Edwards, Virginia Lougee, James Rollins, Catherine Trottier, Regina Wescott.

The present enrollment in the schools is as follows: Center, 15; Flat, 17; Lower Village 17; Upper Village 28; the

Merrill school was closed this year because there were so few pupils in this area. They are being transported to the Flat school. There are 16 pupils from the Town School District attending Hillsboro High School.

General Report

In the terrible world conflict in which we are all involved there can be, and must be, only one first consideration for us all. That is the winning of the war. After we have done all we can in this respect we must then turn our attention to the second greatest need in our country. This thing, second in importance only to the winning of the war, is the proper training of our children. For if we won the war and neglected to properly train our young, the future citizens of America, the battle would have been fought in vain.

Our young people are certainly doing their part. This fall, during the scrap collection drive, three of the Hillsboro Town Schools placed among the first ten for amount of scrap collected, per pupil, by rural schools in the state. These were the Lower Village, Upper Village, and Center Schools. Lower Village placed third in the state for rural schools and fourth for all schools. Admittedly this would not have been accomplished without the help of many people, particularly the teachers and state highway men. Besides this the pupils are regularly buying war saving stamps, making posters, and doing many other things in assisting the nation's war effort.

In the field of training a new emphasis is being placed upon the "three R's." No person can lead a very successful life without the necessary training in these three subjects, reading, writing, and arithmetic. To these we are adding a fourth "R", that of responsibility. Too often in recent years people and children have both talked glibly about their rights but have failed to consider that for every right there is a corresponding responsibility or duty. We hope that the citizens of tomorrow will be trained to accept their duties as well as to demand their rights.

Rural districts such as Hillsboro Town are constantly bothered by the problem of transportation. This has been particularly true this year. During the winter months several pupils have been unable to get to school for days at a time following a severe snowstorm because the roads are not plowed out. Probably nothing can be done about this,

but it seems too bad that some pupils are denied the full privileges which others enjoy.

Hillsboro Town schools are indeed fortunate to obtain and hold satisfactory teachers during this period when there is such a great shortage of teachers. During the course of the war it will be increasingly more difficult to find replacements for any teachers that may leave. At present I feel that the citizens of Hillsboro Town can take pride in the fact that their schools are being operated as satisfactorily as any rural schools in the state.

In conclusion, I want to thank the school board and teachers for assisting me in maintaining good schools in Hillsboro Town.

Respectfully submitted,

HOWARD F. MASON
Superintendent of Schools.

| | | | \$31,333.00 |

We estimate the mount required for the school year July 1, 1943 to June 30, 1944 to be \$34,608.00 details of the amount to be found in the proposed budget of the Hillsboro Special School District. We expect receipts of about \$3,275.00; this leaves a balance of \$31,333.00 to be raised by taxation.

At the elementary School the painting and varnishing has been done during vacation time, by the Janitor, Frank Mosley, with only cost of material, making a considerable saving in labor costs to the District.

The desk tops in one room were planed and refinished.

With the assistance of Mr. Mathews new lavatories were installed in the basement.

It is with regrets we have to announce the loss of our very capable chairman Dr. Harrison C. Baldwin to the armed forces this past year.

We wish to express our gratitude to past Superintendent Vincent Gatto and our present Superintendent Howard Mason and members of the teaching staff for their cooperation.

GENERAL REPORT

These are difficult and trying times for everyone. This is as evident among teachers and pupils as among other people. Yet, in spite of this, I feel that we are advancing. There is an excellent esprit de corps among the teaching staff who have worked for long hours on many things besides their teaching duties with no complaint. The janitors have kept our buildings clean and warm. The pupils have entered enthusiastically and wholeheartedly into all projects suggested to them that would help the war effort. There has been a general improvement in the discipline of the schools and a tightening of the requirements so that pupils are really learning necessary things. This has been accomplished simply because I have been extremely fortunate in obtaining some very capable fellow workers as teachers.

The Grammar School has been subjected to a regular plan of improvement with the result that at the present time nearly all the rooms are painted, repaired, and look very clean and presentable. This could not have been accomplished without the excellent services of our janitor, Mr. Mosely. At the High School all the repair money has been spent on the gymnasium, with the result that the classrooms are in pretty bad shape. It is truly regrettable that the high cost of labor at the present time will make it inexpedient to develop a regular program of improvement here at the High School. It will simply mean that later on we will have a high repair bill all at once.

I wish to call your attention to the two reports that follow.

In conclusion I wish to thank the school board, teachers, and pupils for their excellent cooperation in helping me to maintain good schools in Hillsboro.

Respectfully submitted,

HOWARD F. MASON,
Superintendent.

To the Superintendent of Schools:

Our general plans for 1942-1943 call for a stiffening of the curriculum and a contribution to the war effort.

An effort is being made to decrease the number of tardinesses and inexcusable absences. Habits of punctuality

and steadiness of effort will develop. The amount of work has increased somewhat. We hope next year to increase the amount of accomplishment still more. We plan to use mid-year and final examinations next year. It is hoped that the high school pupils will feel that they have made more of an intellectual effort and have become acquainted with a regular and precise discipline.

The most spectacular way in which the war has affected Hillsboro High School is in physical training. The boys are being given physical training five times a week, and the girls twice a week. This is accomplished by reducing the number of periods of regular classes. The physical training program is entirely prescribed by the War Department. It is tough! It is designed to obviate the necessity of some training after induction. A complete physical examination has been given each boy and girl, and only those able are taking the physical training course.

We also plan to offer home nursing courses, first aid courses, and training in child care. Some of the more mature girls are being trained at the Grammar School to substitute as temporary emergency teachers in case of need.

Emphasis will be placed on science and mathematics. We may offer more courses in auto-mechanics and mechanical drawing.

Respectfully submitted,

FRANK M. BRYAN, Jr.

Headmaster.

To the Superintendent of Schools:

School opened in Sept., 1942 with 169 pupils.

Because of the war we have spent extra time in teaching nutrition and good health.

The pupils took part in the scrap drive, collecting over 83 tons. The upper grades joined the W. A. F. C., and are writing letters to their adopted soldiers faithfully.

As members of the Junior Red Cross, the pupils are participating in the book drive. So far we have collected 183 and there are more to come in.

Miss Smith has given extra time to teach first aid to the older pupils. Air raid drills have been carried out weekly.

Regular school work has been completed according to state requirements. Tests prove our pupils equal to those of other states in their scholastic standing.

Pupils hope to put their scrap money, when it arrives, into Bonds to be used in later years for athletic equipment. Our playground is small. We need those things, and I feel that the pupils have made a wise decision.

It is our ambition to send the eighth grade to the high school and then use that room as an assembly hall.

We would like very much to have an Art teacher. This school did splendid work under Miss Messer's instruction and we have missed her efficient help.

Respectfully submitted,

ALICE HAMMOND,
Principal.
